

## **About the defense of a doctoral dissertation**

Ritter Yekaterina Sergeyevna's dissertation on «Ultra-high-frequency drying of wood based on a single-wire surface wave line» will be defended, in speciality 6D071900 - «Radio engineering, electronics and telecommunications.» at the North Kazakhstan M. Kozybayev University

The work was prepared at the department «Energy and radio electronics» NKU named after M. Kozybayev.

The language of defense is Russian.

The dissertation is presented in the form of dissertation work.

Official reviewers:

1. Palchun Yuriy Anatolyevich, Doctor of technical sciences in the speciality 05.11.15 – “Metrology and metrological support, professor of FSUE «ARR IP, TRM» West Siberian branch, Novosibirsk, Russia;

2. Razinkin Vladimir Pavlovich, Doctor of technical sciences, specialty 05.12.07 - «Antennas, microwave devices and their technologies,» professor at the department of “Theoretical foundations of radio engineering”, Novosibirsk state technical university, Novosibirsk, Russia.

Scientific consultants:

1. Savostin Alexey Alexandrovich, Ph.D., professor of the department of “Energy and Radio Electronics”, North Kazakhstan M. Kozybayev University, Petropavlovsk, Kazakhstan;

2. Bogachkov Igor Viktorovich, candidate of technical sciences, associate professor of “Communications and Information Security” at Omsk state technical university in Omsk, Russia.

Temporary composition of the dissertation council:

1. Yugay Vyacheslav Viktorovich, doctor of PhD in the specialty 6D071900 «Radio technician, electronic engineer and telecommunications», head of the department «Technologies and communication systems» Karaganda technical university, Karaganda city, Kazakhstan;

2. Sergey Konshin, Candidate of Technical Sciences in the specialty 05.13.06 «Automated control systems», vice-rector for Academic Activities, professor, department of «Telecommunications systems and networks», Almaty University of energy and communications, Almaty, Kazakhstan;

3. Aitmagambetov Altai Zufarovich, candidate of Technical Sciences in the speciality 05.12.03 - «Radio communications, radio broadcasting television,» professor of the department of “Radio engineering, electronics and telecommunications”, International university of information technologies (IITU), Almaty, Kazakhstan.

Defense of the dissertation will take place in mixed format on December 11, 2021 at 11:00 o'clock in Dissertation council in specialities 6D071900 - «The radio technician, the electronic engineer and telecommunication» and 6D075100 - «Computer science, computer facilities and management» at the North Kazakhstan university of M. Kozybayev at the address: Petropavlovsk city, Pushkin St., 86, academic building No. 2, the conference hall, on the platform Zoom according to the reference: <https://us02web.zoom.us/j/3969033934?pwd=cHJsN1NGTUplL2FRQjBNTVp6UnJVZz09>

Conference ID: 396 903 3934
